

# The Audi RS5 Sportback

A woman with long dark hair, wearing a white turtleneck and a grey blazer, is driving a car. She is looking out the window to her right. The car's interior, including the black leather seat with red stitching, is visible. The background shows a blurred street scene with buildings and trees.

# Introducing the Audi RS5 Sportback

 450hp

 600Nm

 0 to 100km/h  
in 3.9s

Impressive front, the RS specific air inlets, Singleframe and darkened headlights make the pure power of the RS 5 Sportback visible

The rear appears simultaneously robust and dynamic thanks to the RS specific bumpers, the striking rear diffuser and the RS exhaust system.

Made to your unique style with the dynamic package with red brake calipers, an RS sport exhaust with black tips and an RS sport suspension with Dynamic Ride Control.

With the quattro all-wheel drive and 8 speed Tiptronic transmission with optimized gear changes and sporty tuning, the RS 5 Sportback sprints with self-assurance.

Thanks to the large luggage space of the Audi RS 5 Sportback and fully or partially foldable rear seat bench and flat loading floor, everyday usability is achieved in a sports car.

## Comfort and luxury

Shaped for performance driving, the heated and ventilated front sport seats featuring honeycomb stitching and RS embossing.

Audi virtual cockpit in the front. As a customizable digital instrument cluster, the Audi virtual cockpit presents key information right in your field of vision on a stunning 12.3" HD display. Including a sports mode.

Projected conveniently in your field of vision, the heads-up display on the Audi RS 5 Sportback.
